# HEALTH & SOCIAL CARE

## WHY STUDY HEALTH AND SOCIAL CARE?

There has never been a more crucial time in our society to develop and train young people to help in such a wide range of careers in nursing, social work, teaching, youth and community. This one A-level equivalent will help, alongside other qualifications, through applied learning, to develop the core specialist knowledge, skills and understanding required in the health and social care sector.

This qualification isn't just about caring for babies or the elderly and the ill; it will provide learners with the skills, knowledge and understanding to progress into Higher Education on a health and social care-related programme such as Health and Social Care, Nursing, Social Work or Early Childhood Studies.

Health and social care is a necessity to the society, a career in this area will be rewarding and morally satisfying. Go for it.

### Which syllabus do we follow?

Cambridge Technical Extended Certificate in Health and Social Care.

## WHAT IS THE COURSE ABOUT?

This course will provide learners with the opportunity, through applied learning, to develop the core specialist knowledge, skills and understanding required in the health and social care sector. Learners will take six units made up of mandatory and optional units:

Everybody will study the following mandatory units:

- Building positive relationships in health and social care.
- Equality, diversity and rights in health and social care.
- Health, safety and security in health and social care.
- Anatomy and physiology for health and social care.

## ASSESSMENT

### MANDATORY UNITS

3 x 60 GLH, 1 x 90 GLH and an appropriate combination of 30 GLH and 60 GLH units.

Three externally examined units and the rest are centre assessed and three externally examined units and the rest are centre assessed and moderated by OCR.
